

PRIVACY POLICY

In the collection of confidential information, *Infinite Realty Service* developed this privacy policy to explain why and how information is collected, used and stored.

Infinite Realty Service will update this privacy policy from time to time making all significant revisions available on *Infinite Realty Service's* website. It would be prudent to periodically visit this policy to review any changes.

All questions, privacy concerns, changes to any personal information that *Infinite Realty Service* may contain in its files or feedback regarding our privacy document will be sent directly to *Infinite Realty Service's* Privacy Compliance Officer.

The Privacy Officer

The designated Privacy Compliance Officer is the Chief Executive Officer for Aquarius Developments Inc. and Broker/Owner of *Infinite Realty Service*. The Privacy Compliance Officer will respond to your questions, concerns, requests or feedback comments via email, at broker@infiniterealtyservice.com

Infinite Realty Service will not disclose your private information to anyone. *Infinite Realty Service* ensures the confidentiality of your information as only Administration employees with a valid business reason will have access to the information and will be done so on a need to know basis.

If a request for information by law enforcement officials, government agencies, or subpoenas for documents was issued by the courts it will be directed to *Infinite Realty Service's* Compliance Officer who will assess whether this information must be disclosed.

All of *Infinite Realty Service's* postings, web logs, and other records will be indefinitely stored in our database. Even after the appearance of being deleted this information will be still accessible but may be archived somewhere else.

By willingly posting any information on *Infinite Realty Service's* site you consent to the collection, use and disclosure of your personal information in accordance with the **Terms and Conditions** that *Infinite Realty Service* puts forth.

What is Personal Information?

Personal information is any private information that can identify a person as an individual by their date of birth, passport number, credit card information, social insurance, social security, green card and/or drivers' license number. Any business or personal information that is normally found on a business card or in a telephone directory is not classified as personal information.

Infinite Realty Service may disclose a user's personal information to law enforcement officers or others to enforce our terms and conditions. Upon a report of abuse or violation of any kind, *Infinite Realty Service* will respond or act accordingly to protect the rights, personal safety, and property of *Infinite Realty Service* users, third parties, and the general public.

The Type of Information Collected by Infinite Realty Service

Due to the nature of the services that *Infinite Realty Service* offers, all property listing information and contact information that is willingly provided will be entered and displayed on the public domain. Any personal information that you want to be kept private please do not post it on *Infinite Realty Service* as all posted listings will be seen in the public domain.

Our web logs will collect standard information so that we may service your requests or concerns and provide feedback comments in response to any of your questions or requests. In doing so *Infinite Realty Service* may collect emails, phone numbers, fax numbers, and possibly addresses.

Infinite Realty Service maintains details of any commercial, domestic, and rural real estate/rental transactions, including the property address, legal description, property taxes, property details, real estate photography, rental rates, listing and selling prices, and listing and selling dates.

How Your Information is Collected, Used, and Stored

All information collected by *Infinite Realty Service* is done so voluntarily and willingly by the consumer. *Infinite Realty Service* uses this consumer driven information to maintain and grow a database of domestic, rural, and commercial real estate/rentals to provide statistical information to the consumer.

All this information is stored in electronic format on *Infinite Realty Service's* computer system that requires a password to gain access. Any paper files or reports that may need to be generated are stored physically at *Infinite Realty Service's* Head Office and are located in locked filing cabinets.

Your private information is not shared with third parties for marketing purposes; *Infinite Realty Service* does not have any pop up ads or commercial banner advertising.

Registered users can access and update their personal information and their saved searches at any time by accessing the Sign-In tap on the homepage. *Infinite Realty Service* keeps your account information password protected and you are reminded to keep your password in a safe place and do not share it with anyone.

Infinite Realty Service encourages all users to read the privacy policies of each and every web site that may be linked to *Infinite Realty Service* and cautions that *Infinite Realty Service* is not responsible for any third party privacy policy.

Although the *Infinite Realty Service* user voluntarily provides consent to use their personal information, the user may withdraw consent at any time.

Even though every fiduciary effort is made to store the information in a secure operating system that is not available to the public, *Infinite Realty Service* cannot guarantee complete security.

International Users

It is clearly understood that any data collected in the course of a relationship with *Infinite Realty Service* will be done so outside the resident jurisdiction of the user. Currently, *Infinite Realty Service's* servers are located in the Canada. By willingly providing data to *Infinite Realty Service*, the international user understands and consents to the transfer, use and storage of such data.

Privacy Policy Summary

All personal information that *Infinite Realty Service* collects on its users is done so voluntarily and with the consent of the consumer. It is the responsibility of each user that all their private information is kept current and accurate by allowing the consumer to have full accessibility to their own private information. This information is stored in a secure operating system that is not available to the public. Although every effort is made to ensure that all private information stays private, *Infinite Realty Service* cannot guarantee absolute security.
