## 5-Star Comes to Mimico!

There is a fabulous new restaurant in our neighbourhood. It is a little Spanish treasure called LaVinia, 2350 Lake Shore. The décor is pleasant, the food and service are superb, and the atmosphere oozes warmth. The charming owner greets ladies with a continental kiss on the hand and welcomes his regular guests with a complimentary glass of champagne. Ole! This is my new favorite place. Check out the amazing on-line reviews, 98% love it. Me too!

Fernando Garcia comes from Madrid where he was inspired by some of the top chefs in the world. Classically trained, he creates Spanish masterpieces in his tiny kitchen, but is never afraid to add his own creative flair to make a dish spectacular.

### TRY THE TAPAS:

- \*Baked goat cheese on a bed of spinach sautéed in oil and garlic
- \*Wafer-thin slices of veal carpaccio
- \*Smoked salmon in a brandy sauce
- \*Paella Valenciana with chorizo
